Wilmington, DE – 10-21-09 – M. Davis & Sons, Inc. a business specializing in, Mechanical, Electrical and Fabrication services, received national certification as a Women's Business Enterprise by the Women's Business Enterprise Council – PA-DE-sNJ, a regional certifying partner of the Women's Business Enterprise National Council (WBENC).

WBENC's national standard of certification implemented by the Women's Business Enterprise Council – PA-DE-sNJ is a meticulous process including an in-depth review of the business and site inspection. The certification process is designed to confirm the business is at least 51% owned, operated and controlled by a woman or women.

By including women-owned businesses among their vendors, corporations, and government agencies demonstrate their commitment to fostering diversity and the continued development of their supplier/vendor diversity programs.

About M. Davis & Sons, Inc.

Our team is equipped to handle any mechanical, electrical or fabrication project you may have. Highly skilled mechanics and welders provide immediate response to solve any facility problem. Whether you need orbital welders, specialty sheet metal or high purity piping, M. Davis & Sons, Inc. can help.

Our electrical professionals provide experience and expertise in all electrical trades – from data wiring to 35 KV installations. Utilizing the latest technologies, our team offers electrical design, construction, and maintenance for all types of work. In addition to their knowledge and trouble shooting skills, we excel in satisfying project requirements, even under the tightest deadlines.

About WBENC

The Women's Business Enterprise National Council is the nation's largest third party certifier of businesses owned and operated by women in the United States. WBENC is a resource for the more than 700 US companies and government agencies that rely on WBENC's certification as an integral part of their supplier diversity programs.
